****Tumor Tip**** Breast carcinoma, mammary carcinoma, nos, carcinoma of breast origin and similar terms are to be coded as 8500, not 8010. Source: Solid Tumor Rules https://seer.cancer.gov/tools/solidtumor/current/STM_Combined.pdf

April is National Cancer Control Month, a time to raise awareness about cancer prevention, early detection, improving cancer treatments, increasing the survival rate of cancer, and improving the quality of life for people living with cancer. Founded in April 1943 by President Franklin D. Roosevelt, Cancer Control Month serves as a time to support patients living with cancer and honor cancer survivors.
