

Children's of Mississippi Visitor Policy in response to COVID-19

June 2020

Effective June 6 at 10 a.m. and until further notice, the visitor policy is as follows:

Children's of Mississippi inpatients:

- Have two adult parents, guardians or caregivers at a time as the designated visitors for the duration of the admission.
- Visitors are required to wear a mask and remain in the patient room or associated designated area for the entirety of the visit.

Children's of Mississippi Ambulatory:

- Have one adult parent, guardian or caregiver.
- Must be one designated visitor for the duration of the visit.
- Visitors remain in the designated area for the entirety of the visit.
- Exceptions are made based on clinical needs. For example, patients with a home vent are required to be accompanied by two adult caregivers.
- Accompanying caregiver and pediatric patients over the age of two must wear face coverings for the duration of the visits. We ask that visitors bring a mask from home, however, face masks are provided for those without a mask.

Fetal Center patients:

- No visitors allowed at this time.

In-house food services on main campus are either closed or limited to visitors (e.g. - Cafeterias, McDonalds and Cups), however grab-and-go options are available.

Hospital visiting hours:

Monday-Friday 5:15 a.m. – 7:00 p.m.

Saturday- Sunday 10:00 a.m. – 7:00 p.m.
