IF THIS CHICKEN  
WAS ANY HOTTER

WOULD NEED A  
SMOKE ALARM

OUR NASHVILLE HOT CHICKEN  
BRINGS THE HEAT

Inspired by Hattie B's Chicken and Gus's World Famous Fried Chicken, The Roost is a delightful combination of Nashville hot chicken and Memphis fried chicken, right in the heart of your café.

The Roost is designed to give you a completely new culinary experience. This is not just Southern fried chicken ... this chicken is brined for 24 hours in buttermilk, allowing the flavor to break down, making it moist and juicy on a whole new level. Dredged in a secret flour blend and golden fried to perfection, it's served up original style or tossed in classic Nashville hot chicken sauce.

With The Roost, you're sure to taste (and feel) the sweetness and the burn. Once you start, you won't be able to put it down.
