## REMEMBRANCE PROVIDES SUPPORT FOR PREGNANCY LOSS, EARLY INFANT DEATH

For more information contact Patrice Guilfoyle at (601) 815-3940 or [pguilfoyle@umc.edu](mailto:pguilfoyle@umc.edu).

JACKSON, Miss. – Remembrance, a support group for women and men who have experienced the loss of a child through miscarriage, stillbirth or early infant death, now offers confidential meetings from 6:30-7:30 p.m. on the first Tuesday of every month in the University Physicians Pavilion on the campus of the University of Mississippi Medical Center. The next meeting is set for March 6.

The meetings are facilitated by genetic counselors with training in pregnancy loss, grief management and small-group discussion. The goal is to facilitate open discussions about the grieving process and to offer different strategies for ongoing healing and growth.

Attendees are not required to participate in discussions. For more information, call (601) 984-1921 or email [Remembrance@umc.edu](mailto:Remembrance@umc.edu). Meetings are held in room MO-16 in the Pavilion at 1410 E. Woodrow Wilson, Jackson 39216.

The University of Mississippi Medical Center, located in Jackson, is the state's only academic medical center. University of Mississippi Health Care represents the clinical programs of the Medical Center and includes University Hospitals and Health System and University Physicians, the faculty group practice. UMMC encompasses five health science schools, including medicine, nursing, health related professions, dentistry and graduate studies, as well as the site where University of Mississippi pharmacy students do their clinical training. The Medical Center's threefold mission is to educate tomorrow's health-care professionals, conduct innovative research to improve human health, and to provide the highest quality care available to the state's citizens. A major goal of the Medical Center is the improvement of the health of Mississippians and the elimination of health disparities.
