JACKSON, Miss. – Paul Moak Subaru in Jackson recently presented a \$3,000 check to Friends of Children's Hospital. The money was raised during Subaru's "Share the Love" campaign, in which Subaru makes a \$250 donation in each car buyer's name to his or her chosen charity.

Each year, five national charities are selected by Subaru and this year, Paul Moak Subaru was able to choose a sixth local charity – Friends of Children's Hospital. Subaru has donated more than \$25 million to charity through their "Share the Love" campaign.

Cutline: Paul Moak, second from left, presents a \$3,000 donation to Friends' chairman Sara Ray, third from right. Paul Moak Subaru representatives, from left, Jerry Warfield, general sales manager, Jeanne Scarbrough and John Scarbrough along with Friends board member David Spurk, second from right, and Friends president-elect Rob Armour, right, also attended the presentation.

About Batson Hospital

Batson Children's Hospital, part of Children's of Mississippi, is located at the University of Mississippi Medical Center. It is the only hospital in the state devoted exclusively to the care and treatment of sick and injured youngsters. Batson houses the state's only Level I pediatric trauma unit, pediatric intensive care and cardiac intensive care units and our pediatric surgical suite is the only one of its kind offering inpatient clinical care for a wide range of specialty surgeries. The spectrum of care ranges from well-child care for healthy newborns to comprehensive care for cancer, epilepsy, cystic fibrosis, sickle cell anemia, allergies, diabetes and numerous other childhood illnesses.
