How to join the UMMC_Student wireless network for Windows OS

1. Click <u>here</u> to download the UMMC Student Wireless Profiler.EXE file.

View and track your downloads	Search	downloads		Q
Name	Location	Actions		
UMMC_Studentexe 151 KB umc.edu	Do you want to run or save this program?	Run	Save	•

2. Click on the down arrow next to save and click "Save as"

3. Click on Desktop, then click save.

4. Go to your desktop and click on the UMMC Student Wireless Profiler.EXE icon.

5. Click yes to proceed.

6. Click OK

7. After making sure your wireless adapter is on, click on the wireless icon in the taskbar. It is shown above circled in red. Click on UMMC_Student and click connect.
