

HEMBREE HONOR SOCIETY CRITERIA FOR ELECTION

BACKGROUND

- Four students from each of the first, second, and third years are elected by their classmates to be members in this honor society.
- Each semester, the students will design the course and faculty evaluation instruments, administer the evaluations, and collect the data.
- After data analysis, the students will prepare reports on the course and course faculty. The report is sent to the department chair and course coordinator for review and input.

SELECTION CRITERIA

- To be eligible for election to the Hembree Honor Society, students must be in the top 25% of their class.
- Please select your four (4) conscientious students who work well with the class to administer the evaluations.
- Please select your four (4) students who complete their projects on or ahead of time.
- Please select your four (4) students who write and communicate well.
