

POPULATION HEALTH GRAND ROUNDS PRESENTS

TOPIC:

At the Intersection of Population Health & Criminology: A New Interdisciplinary Science

Monday, October 26, 2020 • 12:00 – 1:00 pm

Location: BigBlueButton or dial in 1-863-208-0022 (pin: 337 216 271)

Brian B. Boutwell, Ph.D.

Associate Professor,
School of Applied Sciences,
Department of Legal Studies,
University of Mississippi

Associate Professor,
Scientist Educator,
School of Population Health,
University of Mississippi Medical Center

Fellow,
Health Criminology Research
Consortium, Saint Louis University

Objectives:

1. To recognize a better understanding of modern crime science
2. To describe the intersection of criminological, health, and genomic sciences
3. To examine future directions for population health science as it relates to psychopathology and antisocial behaviors
4. To illustrate new and exciting opportunities for interdisciplinary research and grant writing

Dr. Brian Boutwell received his Ph.D. from Florida State University. He specializes in quantitative genetics, with a focus on environmental and psychological risk factors for antisocial and violent behavior. His research interests also include the confluence of public health and criminal justice, and in particular the intersection of health and disease risk factors with criminological outcomes. His work has appeared in a variety of journals including *Criminology*, *JAMA*, *Journal of Research in Crime and Delinquency*, *Crime & Delinquency*, *Justice Quarterly*, *Journal of Quantitative Criminology*, *Developmental Psychology*, *Psychological Bulletin*, *Annals of Epidemiology*, *Environmental Research*, and *Behavior Genetics* among others.
