Regarding the University of Mississippi Medical Center (UMMC) in-house IT Sole Source Certification Number 9731 for the renewal of a Data Abstraction and Registry Integration Resources for Pediatric Cardiac Registries (Cardio Access), please be advised that no objections were received and, pending successful contract negotiations, the award is being made to CardioAccess, through June 8, 2029, in an amount not to exceed \$63,221.00.

Please be advised that UMMC will determine if additional enhancements, upgrades, and support are within scope during the certification period and may increase the spending authority accordingly. Should CardioAccess change their name during this certification period, then UMMC will determine if a recertification is necessary.
