

Mississippi MED-COM Direct Dial Phone Specifications

The direct dial phones are provided free of charge to participating hospitals and EMS agencies for use in emergency communications with *Mississippi MED-COM*. The phone automatically dials our 24 hour a day medical communications center. The phone allows Mississippi MED-COM personnel to contact your hospital directly with communications regarding emergency transfers, disasters or updates from various state agencies as MED-COM is notified of conditions. One phone with many purposes that are designed to help you and your staff provide the best care to your patients.

- Emergency Transfers:
- AirCare request and communication regarding an inbound flight
- Disaster Notification/Communication
- Questions regarding out-of-state specialty transfers (Burn, ect)
