***“Population Trends, the 2020 Census,
and Implications for Health and
Development in Mississippi”***

Dr. John J. Green

Professor of Sociology
Director of the Center for Population Studies
University of Mississippi

John J. Green is Professor of Sociology and Director of the Center for Population Studies at the University of Mississippi, where he also leads the Society and Health Program and is Affiliated Faculty with the School of Law. John earned a BA in Political Science and MS in Sociology at Mississippi State University before completing his PhD in Rural Sociology at the University of Missouri-Columbia. Before joining the faculty at the University of Mississippi in 2011, he served at Delta State University for nine years.

WEDNESDAY, FEBRUARY 19, 2020
