

At the University of Mississippi Medical Center (UMMC), the Office of Graduate Medical Education (GME) along with all Training Programs wish to maintain a fair, equitable, and confidential interview process throughout the current recruitment season.

In an effort to establish a safe environment for interviewing with our GME Training Programs, the following conditions are asserted:

- No UMMC GME stakeholder will record any portion of any candidate interview, in part or in full.
- Screenshots, screen recordings, still photography, audio recording, video recording, and/or similar means of memorializing interaction is prohibited for UMMC GME Training Programs.
- Despite Mississippi requiring one-party consent for recording, the above conditions remain intact.

Likewise, we request that each candidate interviewing for a UMMC GME Training Program agree to these conditions in order to preserve the integrity of the interview process.

Below, please enter your name respectively to indicate your voluntary and reciprocal compliance with these conditions.

I will neither record, in part or totality, nor distribute any part of any interview conducted through virtual means with any UMMC GME Training Program, in any manner, pursuant as outlined in this agreement.
