Seminar Topics:
- Change Leaders and Change Management
- Implementing the Safety Coach Program
- Disclosure of Adverse Safety Events Program: A Leadership Perspective
- Implementing a Second Victim Program
- Make Work Fun
- Controlled Substance Diversion Prevention Strategies for Healthcare Leaders
- Preparing Healthcare Leaders for Success in a Value-Based Healthcare Environment
- Unconscious Bias in the Clinical/Health Care Setting

Overall Learning Outcome:
This Biennial conference will offer evidence-based educational sessions that will strengthen the practical and critical thinking leadership skills you need to improve the overall quality, efficacy, and cost effective patient care in your organization. Attendees from across interprofessional healthcare arenas at all levels of management will be able to achieve personal and professional growth by strengthening their interpersonal, communication, and networking skills.

Credit Statement:
The University of Mississippi Medical Center (UMMC) School of Nursing Continuing Education Program is approved as a provider of nursing continuing professional development by The Mississippi Nurses Foundation, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

As an Approved Provider, UMMC School of Nursing awards this educational activity 6.75 contact hours.
