THE DAISY FACULTY AWARD AT

School of Nursing at the University of Mississippi Medical Center

The DAISY Faculty Award was established by the DAISY Foundation in memory of J. Patrick Barnes who died at 33 of ITP, an auto-immune disease. The Barnes Family was awestruck by the clinical skills, caring and compassion of the nurses who cared for Patrick. They created this national award to demonstrate appreciation to faculty for their commitment and inspirational influence on their nursing students and to say thank you to nursing faculty everywhere.
